

Public Input for Arkansas Homeowner Assistance Fund

The Arkansas Development Finance Authority (ADFA) will receive approximately \$54,000,000 of direct assistance from the Homeowner Assistance Fund (HAF) allocated from U.S. Treasury. The HAF program is intended to provide funds to help homeowners avoid hardships such as delinquent mortgages, defaults, foreclosures, and loss of utilities.

ADFA is actively seeking input from the public and involved organizations to help us develop the best plan for the citizens of Arkansas.

Contact our call center to learn more and submit your input on the plan through the button below.
